

DEPARTMENT OF THE NAVY

FLEET HOSPITAL SUPPORT OFFICE
620 CENTRAL AVENUE, BLDG 2G
ALAMEDA, CA 94501-3874

IN REPLY REFER TO:

The Commanding Officer takes pleasure in presenting a

LETTER OF COMMENDATION

To

MR. Edwin Marbella

for service as set forth in the following

CITATION:

“For outstanding service while performing duties as Computer Specialist, Oracle Database Administrator at Fleet Hospital Support Office, Alameda from February 1997 to June 1998. Mr. Marbella consistently performed his duties in a highly professional manner. He displayed exceptional dedication and consistency this past year and a half while serving as the sole administrator and customer service technician for the command’s complex and extensive 250 table Oracle database. His knowledge of the interrelationships between all the tables and his fluent command of the language used to access the information within the tables proved to be invaluable in presenting readiness status for the chain of command for each of the ten Fleet Hospitals. The cooperation and reliability he displayed were especially appreciated by this command. Mr. Marbella’s actions reflected great credit upon himself and Fleet Hospital Support Office and upheld the highest traditions of the United States Government.”

A handwritten signature in cursive script that reads "D. B. Wiggs".

D. B. WIGGS

Commander, Supply Corps, United States Navy
